The heART of giving

During July and August The Balwin Foundation is supporting the Epic Foundation. All staff are invited to donate toiletries for care packs which Epic provides to victims of rape and abuse. Epic also collects matric farewell dresses for girls who are unable to afford a dress. Please support this cause and bring any cocktail or evening dresses, shoes and jewellery to Theresa at the Balwin Foundation Desk.

Alta McMaster from the Epic Foundation will share her talk, "Violation to Victory" with all staff on the 4th of August 2017 from 9am to 10am.

Balwin's Agents of Change!

We thank all our Balwin Property Executives for your pledges and donations to The Balwin Foundation NPC during June and July. Your contributions have made a huge impact on the Balwin Foundation's ability to reach our goal of training 100 labourers in a skill by the end of 2017.

Thank you - Agents of Change!

'Building' skills

Our first accredited, practical hands-on training course in tiling starts on the 1st of August aimed at equipping the informal labour market with skills.

A few of the Balwin Bursary Students spent time at Balwin during the July holidays, where they gained some practical knowledge in the accounting field and filled over 20 bags with shredded historic paperwork. They also spent an afternoon on site at Westlake where they could get a full perspective of this

Call to get involved!

We appeal to Balwin staff, suppliers and supporters to please get involved. Apart from supporting various charitable education-focused organizations, the Balwin Foundation's goal is to train at least 100 tradesmen and provide at least 10 bursaries to deserving scholars and students in 2017. With your support, we can do it!
