Balwin Foundation Trade Training Update

83 trained

Since August, we have completed **4 trade training courses** including; tiling, painting, bricklaying and plastering. We also hosted **basic accounting & time management** training.

A total of **83 Individuals of which 23 are females**, obtained their certificates upon completion of the courses.

5 females and 3 males are now employed with further appointments pending!

We could not have done this without your support - THANK YOU!

Safety gear for MLEE

The Balwin Foundation works closely with Midrand Local Economic Empowerment in training and uplifting the local community. We recently donated safety hats, vests and gloves for a group of young people who started work in the construction field.

Call to get involved!

We appeal to Balwin staff, suppliers and supporters to please get involved. The Balwin Foundation is over half way in reaching our goal to train at least 100 tradesmen and women. Apart from the training, we are in the final stages of awarding 5 more bursaries to deserving students. Without your support, we could not have done it!
